As per O.M dt 19-6-56 the Heads of Deptts & Controlling officers are authorised to distribute & to incur expenditure only upto 50% of the full year's provision for 1956-57 in view of the re-organisation of the State from 1-10-1956. It is seen that 50% of the authorised exp upto 31-9-1956 for the Deptt of Archaeology under the above two Heads is ~~about~~ Rs 3977/- + (Rs 4000/-) the distribution of expenditure proposed to be incurred by the Director under these two heads is about Rs 2150/- + This sum is below the Budget provision of Rs 4000/- for the half year.

GOVERNMENT OF MYSORE.

No.Fl(B).266-380/BUD.2-56-1

Mysore Government Secretariat,
Bangalore, dated the 4th April, 1956

OFFICIAL MEMORANDUM.

The Mysore Appropriation (No.2) Act of 1956, sanctioning the grants for the year 1956-57 has been published in the Gazette Extra-ordinary dated the 2nd April, 1956. As there will be no further edition of the Budget Estimates, the present one is deemed to be final.

2. The Heads of Departments and Controlling Officers are hereby authorised to distribute and to incur expenditure, only up to 50% of the full year's provision for 1956-57 in view of the re-organisation of the State from 1-10-1956 and authorisation of expenditure separately in due course for the new State.

NOTE: Separate orders will issue in regard to expenditure under the grants for Boy Scouts Charges (Bharath Scouts and Guides).

3. It will be seen that the provisions under several major heads in Volume II of the Budget Estimates for the year 1956-57 (Development Schemes under the Second Five Year Plan) are for lumpsum amounts. This is because administrative sanction has yet to be given for many of the schemes under the Second Five Year Plan and expenditure on them remains to be duly phased. The lumpsum - provisions as above are based generally on the Actuals for 1954-55 and Revised for 1955-56 and on the amount of Central assistance - anticipated. The co-operation of the Heads of Departments and other Estimating Officers is requested in breaking down these - lumpsum provisions among the several sub and detailed heads. The Heads of Departments and the Estimating Officers are accordingly requested to furnish very early the break-up of the lumpsum - provision in Part II of the Budget for 1956-57 (1) to the Accountant General, Mysore and (2) to the Finance Department to enable the latter to communicate necessary approval to the allocations well in time.

4. As soon as it becomes known that any sum is in excess of actual

requirements the Heads of Departments are requested to see that they are duly surrendered immediately for being reappropriated for urgent schemes wherever necessary.

5. With regard to the principal heads of revenue, namely Land Revenue including Water-rate and acreage contribution, Forest, - Excise and Sales Tax the Heads of Departments concerned are requested to take immediate action for the realisation of the outstandings to the maximum extent possible.

6. It has been brought to notice of Government by the Accountant General, Mysore that the balances under several Heads of Departments under Loans and Advances are very heavy. The Heads of - Departments are requested to review the balances of the Loans and Advance accounts pertaining to their departments and to take - prompt steps for the recovery of overdue amounts. A special report regarding the action taken in this behalf and the progress of - collection should be submitted to Government before the 1st June, 56.

Mysore Government Secretariat,
Bangalore, Dated 9th April 1956.

OFFICIAL MEMORANDUM

Reference is invited to the O.M.No.FL(B).266-380/Bud.2-56-1 dated 4th April 1956 issued by the Finance Department regarding distribution of grants voted by the Legislature for the year 1956-57. Several complaints have been received stating that considerable time is taken to distribute grants both at the Secretariat and Departmental levels in spite of the fact that the Appropriation Act is published in the gazette on 31st March 1956 or 1st April 1956 and instructions to distribute the grants are issued by the Finance Department in the 1st week of April.

2. Secretaries to Government and Heads of Departments are requested to see that allotment of Budget grants is made on or before the 20th instant so that the execution of works or implementation of several activities of the Departments including local bodies may not suffer for want of allotment of grants. The fact of having distributed budget ~~grant~~ allotments may also be reported to the concerned administrative Secretaries to Government and the Secretary to the Chief Minister.
